Welcome to ISSRE 2021

How to Watch the Videos

Dear ISSRE 2021 attendees,

If you are a non-author, and have not registered for **Microsoft Stream** before, you can also not watch the video at any time in **Microsoft Teams**, after all the videos are published. But don't worry, a detailed description process will easily solve this problem. The process is as follows:

1. Show all Apps in the left menu bar

You will see all hidden apps, as follow:

2. Find and Click the Stream App

You should click the Stream:

If you did not have Stream account before, the following interface will be displayed:

< >	Q, Search	··· 🗣 - 🗆 ×
Q. Activity	Stream My Watchlist About	Ø C 🕀
(=) Chat	My watchlist	
CO Teams		iko Microsoft Stream
Assignments	Unable to display videos because your session has expired	
S Calls		
Files		
Stream		
Apps		
(?) Help		

Later, You should click the Microsoft Stream:

< >	Q. Search	··· 🛐 – 🗖 🗙
Q. Activity	Stream My Watchlist About	0 C 🕀
Chat Chat Teams	My watchlist	Microsoft Stream
Assignments	Unable to display videos because your session has expired	
S Calls		
Files		
\$ Stream		
Apps		
? Help		

3. Log in with your Microsoft Teams account

When you complete step 2, you will be redirected to the Stream login interface, the account and password are the same as your Microsoft Teams account:

Microsoft	
Sign in	
Email or phone	
Can't access your account?	
	Next

Later, You will complete the register of Microsoft Stream using your Microsoft Teams account.

4. Done!

When you have completed step 3, the registration has been successful. At this point, you can go back to Microsoft teams, and you can watch the presentation videos you are interested in at any time in all channels.
